Commissioner for Patents

Applicant's submission on 12/01/2009 to correct errors in the CRF and sequence listing did not include a computer readable form sequence listing. Applicants electronically filed a ".pdf" format sequence listing on 12/01/2009 that is considered the "paper" copy of the sequence listing; the computer readable form (CRF) of the sequence listing must be in ASCII text format (".txt" file extension). The applicants will have to submit the CRF copy and a statement that the computer readable form of the sequence listing is identical to the paper copy and does not contain new matter.

Since the above-mentioned amendment appears to be a bona fide attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Nora M. Rooney whose telephone number is (571) 272-9937. The examiner can normally be reached Monday through Friday from 8:30 am to 5:00 pm. A message may be left on the examiner's voice mail service. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ram Shukla can be reached on (571) 272-0735. The fax number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system.
